

GLENDALE ELEMENTARY SCHOOL DISTRICT NO. 40
4 YEAR TERM
JAMIE ALDAMA

My name is Jamie Aldama, and I'm running for Glendale Elementary School District, Governing School Board because I'm passionate about our student's education and feel that our students, parents, and employees, are deserving of a representative who will ensure, not only the very best education for our students, but be a representative who will voice concerns on behalf of our staff members.

I intend to work with our community to convey information in a manner that will support our children's education and represent our teachers and staff with the support they deserve.

As board member, I'll ensure that our superintendent provides a clear strategic plan for our district, that includes our community and staff members. Our plan will be well defined with the intent of benefiting our students. My main objective will be to ensure that our tax dollars are being utilized to their full potential, with funding the classroom as a priority. Disclosure and transparency of our district budgets as permitted by law will be the cornerstone of trust between the district and our community.

I have 22 years of public school system employment and understand the challenges school districts face in these tough economic times. Teachers and staff face tremendous challenges on a daily basis and have been front and center for our community.

Currently, I serve as Vice Chair Commissioner to the City of Glendale Parks and Recreation Department, Commissioner to the City of Glendale Community Task Force and board member of the West Valley Foundation.

Previously, I served on the Glendale Elementary School District 2010 Budget, IBN and Classified Council Committee's. As a volunteer of the various committees, I have learned that communication is essential to a board member. I will make myself available to our parents and students at all times, communicating your concerns, and work with our superintendent to resolve them.

Thank you for your support!
